CRBOL-0103

CRBOL-0104

DESCRIPTION

- Cast Aluminium alloy ADC12 body.
- High corrosion resistant powder paint in black colour. (Other colors are available on request.)
- Ultraviolet stabilized opal white and clear acrylic or glass lens diffuser.
- Silicone rubber gasket against dust and moisture, IP55.
- All fasteners made of stainless steel.
- Integral control gear is mounted to a removable ballast tray.
- Anodized high purity aluminium reflectors.

DESCRIPTION

- Cast Aluminium alloy ADC12 body.
- High corrosion resistant powder paint in black colour.
(Other colors are available on request.)
- Silicone rubber gasket against dust and moisture, IP45.
- All fasteners made of stainless steel.
